

PHOTO BUCKET

GENERAL INSTRUCTIONS

1. Go to PhotoBucket by entering this link into the address line on your Internet Browser: <http://photobucket.com/>
2. User Name: **heartlandtraining**
3. Password: **htt1944**
4. In the middle of the page, select either of the recent albums you want.

Album # 1 covers Shotgun, Military Rifle, Black Powder and Cowboy shooting.

Album # 2 covers rimfire rifle and pistol shooting.

5. You may email or otherwise download the pictures that you want and save them to your computer.

Note: Album # 2 is not yet available but should be within the week.

Recommendation: After pictures have been downloaded, they may be edited by any number of photo handling programs. I prefer Windows Live Photo Gallery. It's free here: <http://explore.live.com/windows-live-photo-gallery>
